COMMENTS:

It is my joy in life to find
At every turning of the road
The strong arms of a comrade kind
To help me onward with my load;
And since I have no gold to give,
And love alone must make amends,
My only prayer is, while I live—
God make me worthy of my friends.

Dear Seniors,

Well, the moment has finally arrived! That's right . . . Graduation is here. It is now time for us to say "good-bye" to our friends and teachers and move on. While we say "good-bye" to good old S.M.V., we will forever hold dear in our hearts the memories of our high school years.

Fresh out of 8th grade and unsure what lay ahead, the seniors did their part to break our nervousness through Freshman Initiation. What an experience that was!

Sophomore year brought with it the thrill of no longer being called "frosh." At the same time we faced the agonizing task of dissecting fetal pigs!

As Juniors, our class grew together in spirit and faith on the Junior Encounter. We also experienced our first prom. That was a night to remember. By the end of the year we all knew just how truly remarkable our class is.

As Seniors we pulled our over-flowing spirit together, and stood tall prevailing in both the candy sale and the can food drive. Along with the glories of senior year we also experienced the overwhelming stress of homework, the pressure of applying to colleges, and the anticipation of our college acceptances.

While we treasure all these memories, we can't avoid the hardship of saying "good-bye." I hope that someday we will all meet again, but now it's time to go out and show the world what we're made of. I thank you all for your support, enthusiasm, and unity. I wish you all the best in the years to come. The world is waiting for you to conquer!

Congratulations Graduation Class of 1987. We made it!

Your Senior Class President,

Lori Peters

late nights in Rm. 206.
